## MORE WAYS TO SAVE ON CAMP FEES...

### SAVE ON BUSING!

To provide our camp families with the most choices we do not include the cost of busing in our camp fees.

Premium door-to-door bus service is available but you can save \$40\* per week per child by opting for point-to-point bus service in your neighbourhood. You can save \$70\* per week per child by carpooling or providing your own transportation to and from camp.

These alternatives to premium door-to-door bus service add up to a lot of money saved over the summer!
